Experience

★ **Founding Designer** Sept 2025 - Present
The Karmhaus Design Studio.

Led Product design projects for clients including T-Works, T-Hub, CARE India, and Packfora, alongside in-house consumer electronics projects. Managed end-to-end design, client relationships, and prototyping workflows.

★ **System Design Intern** May 2025 - July 2025
Social Innovation Studio.

Worked on system design projects with Youth4Jobs and the Karnataka Government, focusing on accessibility and social impact. Applied systems thinking, service design, and curriculum development.

★ **Design Intern** May 2024 - July 2024
Teslon Technologies.

Designed UX and industrial solutions for healthcare clients like Manipal Hospitals, NIMHANS, and Narayana Hrudayalaya. Focused on user-centred design, 3D modeling, and prototyping.
